Subject: Fw: CMS responses for the (404 Pebble mine)

Kit and Amy,
Do you know if the letters to the six Bristol Bay tribes and to AIFMA went into the mail?

Based on my records, the letter should have been sent on or about July 1-- check with Kit Brandt or Amy LeFeat to confirm.

Thanks!

Mat, Phil North is assigned to ETPA not OWW, his CMS coordinator would be Amy Lefeat. OWW is and OCE are the supporting office and should get a copy of the response I could just send a copy to Steven Potokar (OCE) and Jill Gable (OWW).

Hi Phil:

Thanks for getting the letters to me. I'm copying Bella on this email because all CMSs need to come from her since she's OWW's CMS coordinator.

I'm not sure about when the last letters were sent, but Bella should also have that information as well.

Thanks,  
Matt

Subject: CMS responses

Hi Matt,

I don't recall if I forwarded these to you before the holiday. If not, here are two responses on the Pebble Mine for the RA's signature. They have been through ETPA and OW&W review.

Can you tell me when the last set of letters went out? They were to the six Bristol Bay tribes and their attorneys and to AIFMA.

Thanks,  
Phil
